

Passenger Notice

October 9, 2018

Upcoming On-Board Survey

The Solano Transportation Authority and Fairfield and Suisun Transit (FAST) are interested in your opinions about SolanoExpress commuter service. We need your help to improve transit service throughout Solano County. Quantum Market Research has been retained to assist with this effort.

Over the next couple of weeks, riders on SolanoExpress (operated by FAST) will be surveyed. Many riders will be asked to complete surveys while riding the bus. The questions asked will assist in improving and funding future transit service. Responses will remain confidential and be used only for the purpose of improving transit. At the same time, you may also notice surveyors counting passengers boarding and deboarding SolanoExpress, which is another element of this study. We encourage and appreciate your cooperation with these efforts.

Thank you for your assistance. We look forward to continuing to serve your transit needs.

If you have any questions, please contact Brandon Thomson, Transit Mobility Coordinator at the Solano Transportation Authority (707) 399-3234.
